

## **Charitable Gift Annuities**

Did you know that there is a way for you to receive payments for life and continue supporting our work for Bible translation after your lifetime?

An agreement called a charitable gift annuity allows you to make a gift of cash or other assets while receiving fixed payments for life. You also may receive an immediate income tax deduction for the gift portion of the annuity.

During your lifetime, you receive regular payments, and after your lifetime, the remainder of the gift can continue to benefit our ministry of Bible translation or any Wycliffe organization of your choice.

If you'd like to learn more about charitable gift annuities or other ways to support the work of Bible translation through gift planning, please contact the Wycliffe Foundation toll-free at (877) 493-3600.
