Orlando, Florida

We have audited the accompanying financial statements of Wycliffe Bible Translation Foundation, Inc., which comprise the statements of financial position as of September 30, 2020 and 2019, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Some of the planned giving instruments that are used by WF include wills, annuities, trusts, endowments, and donor-advised funds. Since its incorporation in 1993, WF has provided highly competent and effective gift planning services to Kingdom stewards, as they seek to fulfill God's calling on the resources they have been entrusted with, to accelerate the global work of Bible translation, and support other ministry interests.

Support for WF's ministry comes from donor contributions as well as through contributions from Wycliffe Bible Translators, Inc. (Wycliffe USA). 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

WF maintains its accounts and prepares its financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents includes checking accounts deposited with FDIC-insured financial institutions and cash deposited with a related entity in a fund functioning as a money market account. Certain accounts that meet the definition of cash equivalents, but are part of a larger pool of investments, are included in investments. As of September 30, 2020 and 2019, WF had \$85,885 and \$134,369, respectively, deposited with the related entity, which is not federally insured. From time to time, WF has cash deposits in excess of federally insured limits; however, WF has not experienced any losses on these accounts and does not believe that it is exposed to any significant credit risk.

INVESTMENTS

Investments in marketable securities with readily determinable fair values and all debt securities are reported at fair value. RIA Charitable Investment Funds, Inc. (RIACII) operates as an investment pool available to Wycliffe Global Alliance member and associated partner organizations. Funds deposited with RIACII are invested in a variety of fixed income securities including U.S. Treasury issues, corporate bonds, and mortgage backed bonds, which borrow and pay in U.S. dollars. WF is invested in the short-term portfolio which pays interest at a stated rate as determined from time to time by the RIACII board of directors (2.00% as of September 30, 2020 and 2019) to participants in proportion to the amount they have on deposit in the pool. Interest received is recorded in funds held for others on the statements of financial position. As of September 30, 2020 and 2019, RIACII reported total assets with a fair value of approximately \$87,918,000 and \$95,763,000, respectively, of which WF holds \$2,931,108 (3%) and \$3,017,944 (3%), respectively.

Realized and unrealized gains and losses are included in investment income on the statements of activities.

PROPERTY AND EQUIPMENT

Expenditures for property and equipment in excess of \$5,000 are capitalized at cost. Depreciation is provided using the straight-line method over the estimated useful lives of the depreciable assets, which ranges from 3 to 7 years. As of September 30, 2020 and 2019, WF's property and equipment was fully depreciated.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

ASSETS HELD FOR OTHERS

Assets held for others consist of fiduciary agreements including: trust, annuity, endowment, and missionary partnership agreement funds. Investments in equity securities with readily determinable fair values and all debt securities are reported at fair value.

NET ASSETS

The net assets of WF are classified into net asset categories according to externally (donor or legal) imposed restrictions as follows:

Net assets without donor restrictions include gifts for the general operations of WF, the undistributed amount of donor contributions to donor-advised funds, and those resources invested in property and equipment.

REVENUE

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to WF. With donor restriction contributions, legacy, and bequests received and spent in the same year are reported as without donor restriction.

ALLOCATION OF EXPENSES

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The costs of providing various program services and supporting activities of the organization have been summarized on a functional basis in the statements of activities.

RECENTLY ISSUED ACCOUNTING STANDARDS

In 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. WF adopted the provisions of this new standard during the year ended September 30, 2020. The new standard assists entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, *Not-for-Profit Entities*, or as exchange (reciprocal) transactions subject to other guidance (e.g. Topic 606, *Revenue from Contracts with Customers*) and (2) determining whether a contribution is conditional. Adoption of this standard did not have a material effect on the financial statements.

6. FAIR VALUE MEASUREMENTS:

WF uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, WF measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used only when Level 1 inputs were not available. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of significant unobservable inputs and have the lowest priority.

8. EXPENSES BY BOTH NATURE AND FUNCTION:

The financial statements report certain categories of expense that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Expenses, other than the distributions, are allocated between the general and administrative and fund-raising supporting functions. These expenses are allocated on the basis of an estimate of time and effort for the supporting function benefited.

10. RISKS AND UNCERTAINTIES:

In January 2020, the World Health Organization declared the outbreak of the novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets.

It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of WF for future periods. In general, WF, like most other nonprofit and for-profit companies, needs to maintain a level of preparedness to proactively respond to challenges that threaten its ability to operate in a safe and sound manner. For WF, this preparedness includes, but is not limited to, responsive leadership and staff, established policies, nimble business continuity action plans and strategies, and maintaining sufficient operating reserves. In the case of the most recent Covid-19 pandemic, WF remains vigilant in its ongoing monitoring of trends and relies upon the disciplines and business practices mentioned in the foregoing to shape our response to insure WF will operate soundly throughout the pandemic period.

11. SUBSEQUENT EVENTS:

Subsequent events were evaluated through February 2, 2021, which is the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
